

Illinois Department of Financial and Professional Regulation
Division of Professional Regulation

NAME OF EDUCATIONAL INSTITUTION:	Loyola University Chicago, Marcella Niehoff School of Nursing
POSITION:	Health Systems Management Graduate Faculty, Non-Tenure-Track
RESPONSIBILITIES:	The Marcella Niehoff School of Nursing of Loyola University Chicago is currently seeking outstanding individuals for the position of non-tenure track nurse faculty for its Graduate Health Systems Management (HSM) program. This full-time position is a 9-month appointment. Principle responsibilities include teaching, advising students, and working collaboratively with faculty and administration in strategic growth and development of the Graduate Nursing Health Systems Management program. This innovative Master of Nursing (MSN) program prepares nurse leaders by combining core nursing and administration concepts and theories with subspecialty preparation in either healthcare informatics or outcomes performance management. Candidates with experience in health informatics, data utilization, quality improvement, program management, nursing administration, healthcare finance, health policy, accreditation, and/or quality and safety initiatives are strongly encouraged to apply. We invite applicants to join our dynamic and inter-professional environment focused on excellence in teaching, research and service.
MINIMUM QUALIFICATIONS:	An earned doctorate in Nursing or a related field Experience commensurate with appointment at the rank of Assistant Professor or higher Demonstrated excellence in teaching Commitment to research and scholarly endeavors Illinois RN licensure or eligibility.
PREFERRED QUALIFICATIONS:
